

CASCARONES

PRINTABLE PACK

Bring these pages to life by layering real textures in.
Here are some ideas in how to make them POP.

The Eggshell Mosaic

You'll need white craft glue and dry, dyed eggshells
(crushed into small pieces).

Start by coloring the page of your choice. Apply a
thin, even layer of glue to the selected areas. Carefully
press dyed eggshell fragments onto the glue, fitting
them together like a puzzle or scattering them.

The Confetti Explosion

You'll need paper confetti or colorful card stock scraps
and a glue stick.

Add small dabs of glue. Sprinkle actual paper confetti
over the glue and shake off the excess.
